

Marriage of the Lamb

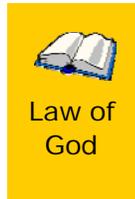

"God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof." Psalm 46:1-3

Sanctuary reveals God's marriage proposal

God's protection wall — when inside the 9 foot linen curtain, the individual was not seen as a sinner, he was hidden from view, while God completed His work of making the individual righteous. Inside the curtain there was rest from sin, and protection, and peace with God.

Genesis 2:18; Hebrew word "helpmeet" means wall, shield,

"In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." John 14:2-3

God's deliverance of the children of Israel from their Egyptian bondage was intended to bring the people to Mount Sinai for their wedding to Him. Through the experiences of the plagues, deliverance at the Red Sea, His provision of food and water in the desert, the giving of His Law as the revelation of His character, He was showing us that He is that "Able Man" who is worthy of our love, devotion, praise. In contrast to all the pagan gods that promise us much and give us nothing, He alone is able to be our Husband for all eternity. When we finally realize this in its fullness, then "the bride" will "have made herself ready" for the marriage of the Lamb.
